Student Support & Resources:

Occupational Skills Centre Australia (OSCA) provides all students with information on its training services and information, and on the rights of the students prior to enrolling, please refer to the Student Handbook.

All learning and assessment materials will be provided by OSCA.

Students will be required to complete written and practical assessments for this course – practical assessments are completed in a simulated Rail work environment.

Eligibility & Entry Requirements:

Must be 15 years or older and no longer at school.

Investment & Funding:

Contact OSCA for fee details (POA). Subsidies may be available: Eligibility criteria apply. Please contact OSCA to discuss, or scan the QR code for more information.

Outcomes & Qualifications:

Earn nationally recognised Statements of Attainment for each successfully completed unit. Upon successful completion of all units, graduate with the TLI27121 Certificate II in Rail Infrastructure qualification.
